

Festival of Trees

Legacy Park - Ada

December 2, 2022 - January 1, 2023

The ABA will supply one tree, a tree stand, 200 pre-hung white LED string lights, signage with your group, organization or company name/logo and proper environmental disposal of each tree. Pre-registration is required. Space is limited.

Participants are asked to decorate their tree using the following guidelines:

1. Trees will be available for decorating from 9am to 4pm, November 25th – December 1st. Please plan to have your tree completely decorated by 4pm, December 1st. All trees must be decorated on-site at Legacy Park.
2. Be creative! We anticipate the decorated trees to be unique to each business or organization. Decorations can be homemade or purchased, however, will be exposed to winter weather. Be sure they are made of materials that can withstand snow, moisture, and wind.
3. A 5-6 foot live tree, tree stand and lights will be provided. We ask that no additional lights be added.
4. Tree location will be assigned and will be provided by email prior to November 25th.
5. Decorations designed to feed wildlife, or that could harm wildlife, are not allowed. Do not use any food items on your tree.
6. Decorations should be tied or wired securely to your tree to resist high winds, rain, snow, and vandalism. Standard ornament hangers are not adequate. Please plan to check on your tree occasionally, to note the status of your decorations.
7. No décor may be staked into the ground due to park irrigation lines.
8. No political decorations or statements, please.
9. The ABA will not be responsible for lost or damaged decorations.
10. Plan to pick up your decorations between January 1st – 4th. All decorations not picked up by 4pm on January 4th may be donated.

If you have any questions, please contact Kim Rantala at kim@adabusinessassociation.com
